Don't worry that your  
Life shall end  
But rather, fear that  
It shall never begin.

For we constitute a mass,  
Each human being an  
important part  
of the whole.

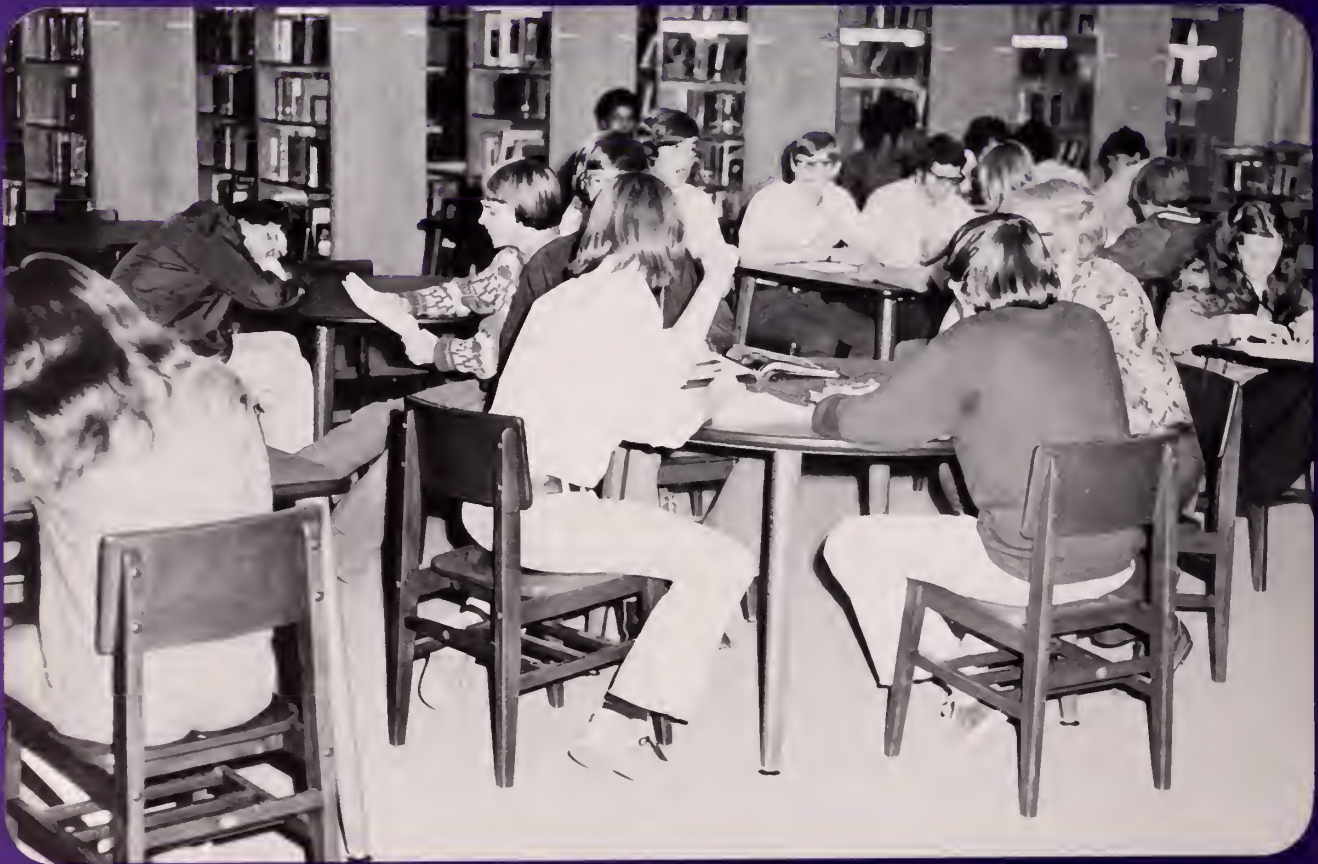

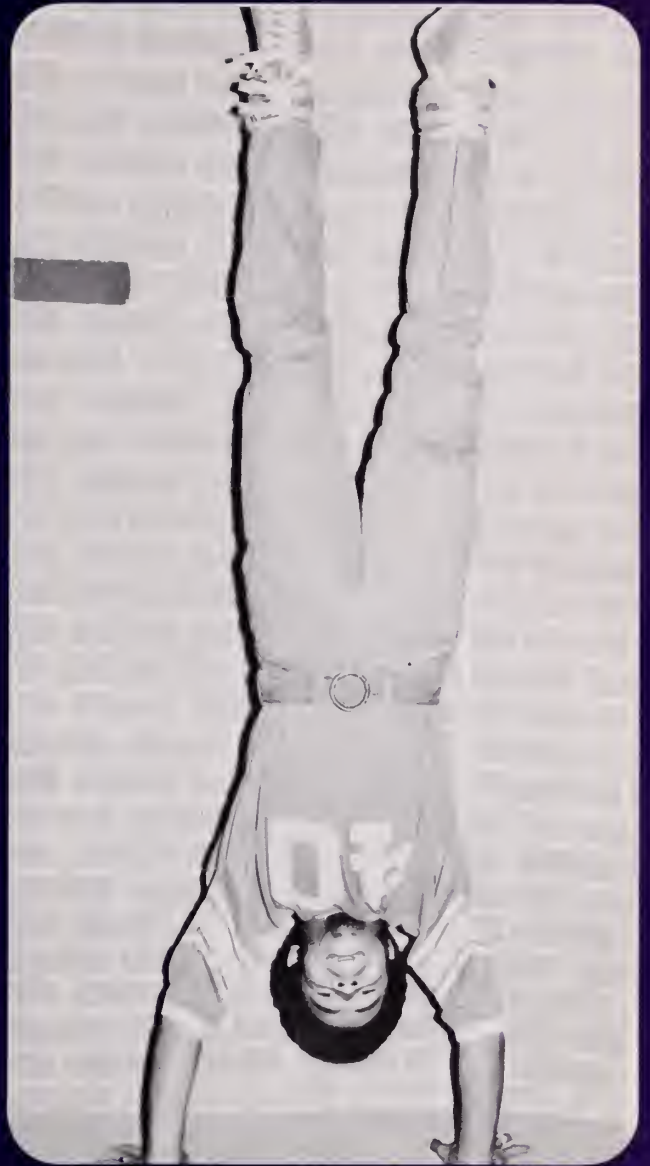

Yet we're individuals  
Apart from all else  
Everyone is different  
Everyone is a star.

You dream your dreams,  
I'll dream mine.  
As we search together  
For an answer.

You shine with  
your thoughts,  
And I'll shine with mine.  
For everyone is a star.

No one star shines brighter,  
Each one shines its own way.  
It takes all the stars in the  
universe to guide us day  
by day.

With the loss of Assistant Principal Harold Hook and the growth of the student body, two new **ASSISTANT PRINCIPALS WERE ADDED** to the administration. Mr. Walter Thomas, formerly band director at CCHS, became assistant principal. Mr. Cully Weiss, while doing graduate work at the University of Virginia, served as an apprentice assistant principal during the first semester of the school year.

Overcrowded classes was a problem throughout the entire school, but especially affected the language department. Teachers were forced to have two and three levels of language in one period, which was not only a disadvantage to the teachers but also to the students who were not receiving the individual attention they needed. **ENGLISH CLASSES WERE JAM-PACKED** with one hundred additional students and no new increase in the number of faculty members in the department. This is what awaited the two new replacements to the department, Mrs. Linda Carau and Mrs. Mary Jo Dever.

**EMPLOYMENT OF A DOCTOR** to the faculty marked a first for CCHS. Mr. Frank Rogers, holding a Ph.D. in political science, instructed math and physics students. Quite a unique individual (his hobbies include Chinese brush painting), Mr. Rogers rounded out the science department. Mrs. Bess Brooks joined CCHS faculty as a biology teacher to offset the overloaded biology classes. Her hobbies include such things as cooking, sewing, and camping.

Despite the increases in the number of students taking social studies, no new teachers were employed. However, Mrs. Oliver returned to her students after missing the last few months of the previous year. Miss Swope returned as Mrs. Abernathy, a change in her name but not in her teaching methods. After training the minds of seniors for years, **MR. FLOYD BINNS FINISHED HIS LAST YEAR** at CCHS. Serving as senior class sponsor and head softball coach, Mr. Binns became an institution within an institution at CCHS and will be sincerely missed by all.

Student's pleas for additional electives brought about **THE ADVENT OF PSYCHOLOGY** to the CCHS curriculum. Mr. Dwight Frazier and Mr. Larry Roy were called upon to instruct the three sections of this class in addition to their regular jobs. Mr. Frazier was the drama instructor along with teaching a regular class of English.

Mr. Roy doubled as a guidance counselor. The band took on a new outlook with the arrival of Mr. James Arrowood, who divided his time between the junior high and high school bands.

Adding spazzaz to the physical education department was Miss Ann Boyd. Taking over tenth grade P.E. classes, as well as J.V. hockey, basketball, and track would be an **ENORMOUS JOB FOR ANYONE**, but Miss Boyd willingly met the challenge with determination. The overall success of her teams speaks by itself for her ability.

Academic English students enjoyed writing short stories and reading such classics as **A Separate Peace**, **Macbeth**, **Kidnapped**, and **Frankenstein**. Advanced seniors delved into Greek, Shakespearian, and modern dramas, science fiction, and various novels. Business and general students used new soft-bound text books and viewed weekly television. Many **STUDENTS PARTICIPATED IN THE ORAL FORENSICS** contest held in the fall as each academic student was required to enter an oral or written contest.

**Chewing his pen**, Leroy Hackley contemplates one of Mrs. Hill's questions.

**Juniors** in Mrs. Yancey's English class try to understand the difference between participles, gerunds, and infinitives. **Seniors** plot to get revenge on Mr. Martin after receiving their test grades on **Lord of the Flies**.

Under the supervision of new teachers, French, Spanish, and Latin students participated in skits, dialogues, and presentations of situations. Increased interest in these languages prompted the **ADDITION OF FRENCH IV AND SPANISH IV**. These courses enabled many students to meet necessary language requirements for college.

**"This must stop now!"** Steve Goldsborough scolds Lisa Kelly and Mark Walker in a Spanish skit.

**Listening to tapes** the French students imitate the accent of a French linguist.

**Latin II students** translate the life and conquests of Julius Caesar from their textbooks.

Programmed learning material and individual progress charts aided the teachers of Math 9 and Math 10 this year. A new subject, Math 10 was designed for students wishing only to complete the required courses for graduation. **STUDENT AIDS OFFERED A RELIEF FOR TEACHERS** in the explanation of the various mathematical processes. Advanced math students began the year with the study of probability and chance and then progressed to calculus. Trig students used calculators to solve involved problems, while the use of audio-visual aids helped algebra and geometry students in their understanding.

A math 10 student, Roger Huffman, works his problem on the blackboard.  
Geometry students attempt to prove the Pythagorean theorem.  
Eddie Eddins explains a concept of physics to Dr. Rogers.

Taking field trips in the woods and fields surrounding the school earth science students made observations of the plants and animals that inhabit these areas. Four more sections of biology accommodated the ever increasing number of students. Biology students divided their class time between **CLASSROOM STUDY AND LAB WORK** dealing with dissections and observations of various animal forms. Chemistry classes studied a more extensive unit on bio-chemistry, which included lab work on enzymes. Class discussions about heat, sound, radiation, light, electricity, atomic structure, and magnetism intrigued the physics students.

**Taking time** at the end of the period, earth science students complete their notes on the day's lesson.

**Lab assistant** Karen Bangs distributes the specimens to biology students.

**Concentrating** on her work, Charmaine Dill tries to complete the last step of her experiment.

United States history students read plays on black America and discussed prejudices. Since this was election year, most pupils were required to do scrapbooks on either the local or national elections. Several classes were also involved in rewriting the Constitution and participating in a mock Senate, while others viewed student-written plays on television.

**A FIELD TRIP TO WILLIAMSBURG IN DECEMBER** was the highlight for many of Mrs. Mills' and Mrs. Oliver's students. World History students participated in debates and panel discussions in addition to their six weeks' projects. Students taking advantage of psychology as a new addition to the curriculum engaged in human relations games and value discovery exercises and projects.

**Shelly Loving** takes a break from the rigorous pace of world history class.

**Campaigning** in the mock Presidential election, Mike Ballato draws support from his classmates.

**U.S. history students** become engrossed in the music of the folk singers from the Virginia Museum.

**Discussing** the problems the world faces, the new psychology students express their views.

Other than the addition of a new teacher, Mr. Hash, the business department changed little. The chief aim of the department was to help people prepare for employment in future business world. The business department is divided into business math, typing, shorthand, business law, office training, and bookkeeping. Distributive Education helped the business department by providing **ACTUAL BUSINESS EXPERIENCE FOR THE STUDENTS**. Students went to school for the first part of the day and after lunch left for the respective jobs to work the second half. Working the cash register was a new experience for many in the business classes.

Clerk typing students review the books with Mrs. Furgiuele. Typing from her own shorthand, Terry Burdette tries to decipher the symbols. Dictaphones allow shorthand students to increase their speed.

Physical education was **AN EXHILARATING BREAK** in the usual drudge of classes.

Miss Boyd, a new teacher, introduced speed-ball, a new game requiring skills from soccer, basketball, and football. Students taking driver's education engaged in a seat belt demonstration. Also during the year the Civil Defense Administrator gave an informative talk to the entire P.E. department, and a State Police investigator led an informal discussion on drugs.

**Jumping** to reach the ball, girls in the 10th grade phys. ed. class participate in a lively game of basketball.

**Diagraming** a fundamental of driver's ed on the board, Miss Yeatts reviews her students for a test.

**Sophomores** laugh at the antics of their teammates in the final leagues of their relay.

Freshman and sophomores took classes in industrial arts while juniors and seniors mastered **THE SKILL OF MECHANICAL DRAWING**. Students engaged in classes of graphic art, wood, leather, metal, and photography. The new facilities of the home economics department, including two ranges and three sewing machines, enabled students to participate in various activities. Several of these activities were taped and the students viewed them later in order to evaluate themselves.

**Adding** the finishing touches, Kim Driggers completes her project for the fashion show.

**Laboring** tediously, a shop student replaces a worn part in his equipment.

**Finishing** the edges of her seam, Patsy Jenkins gives the professional touch to her dress.

Art classes participated in various activities ranging from pottery to macrame and including collages and mosaics. A

**DEMANDING INTEREST IN THE FIELD OF ART** prompted the doubling in number of classes and the addition of a new teacher, Miss Cahoon. Some of the special activities the dramatic classes engaged in this year were creative dramatics, the reading of plays, the performing of skits, and practice in the form of speech presentations.

Second year students performed the duties of a stage crew for the annual school play.

**Students gather** to distribute paper for their next class assignment.

**Starting to work** students decide what to use as the subject for their next picture.

**Concentrating** on facial expressions and mannerisms drama students Teresa Southard, Kim Blankenbaker, and Larry Stine play charades.

The CCHS music department entertained the school and community with their concerts at Christmas and in the spring. A concert choir which practiced daily was added to the choral department while both woodwind and brass ensembles were new to the band program. **CHORAL STUDENTS PRACTICED FOR PUBLIC PRESENTATIONS**, and band members drilled for parades and football games, prepared for concert tryouts and band festivals, and hosted regional band in February. A pep band played during pep rallies and at away football games. New music and new equipment provided for better instrumentation and more contemporary musical selections in the music program.

**Band students** study their music in preparation for their annual Christmas concert.

**Rehearsing** for their concert, choral members lift their voices to perfect each line of their song.

**Young musicians** spend a few minutes joking with their classmates before beginning their practice.

## STUDENT LIFE

Writing sentences for being late to class

Lying to get a white slip

Having to spit out your gum when there's still flavor left

Falling down the steps

Skipping class

Getting caught without a hall pass

Jamming your locker

Sneaking a smoke

Walking around the halls in the mornings

Being caught in the wrong locker

Passing notes in class

Freezing at homecoming

Sneaking a kiss in the halls

Behaving for the Visiting Committee

Trading pictures

Signing yearbooks

Taking exams because you were suspended

If you hear a person speak  
About a

"roaring tide of humanity"

Think about CCHS

And you will understand

This meaning

As jobs ended, pools closed, and vacationers returned, over 1200 CCHS students filled the halls. The first week found each student buying books, entering over-crowded classes, and readjusting to the **MONOTONY OF SCHOOL LIFE**. Some students found leisure in fall sports such as football, cross-country, and hockey, while the organization of clubs and the election of class officers occupied the minds of others. For the first time, IBM computers were used for placement, scheduling, and report cards, saving the guidance department an enormous amount of work.

**After twelve years**, Janice Marcus finally steps off the bus as a senior.

**Up, down, all around**, everywhere you look you see people.

**Study hall** is a time to catch up on your reading and latest gossip. Joseph Durham, Nancy Edwards, Betty Walker, John Groover, and Billy Copeland relax in the reading corner of the library.

**J.V. cheerleaders**, Charlene Alphin, Kay Yancey, and Cammy Golon take time to repair one of their many decorations to encourage school spirit during homecoming week.

**"It's either a white lie or a pink slip,"** informs Mr. Weiss and Mr. Thomas.

**Sideliners watch anxiously** as Julie Davis and Sue Mills fight determinedly for the ball.

**New band director** James Arrowood leads the pep band in their version of the popular "Budweiser" theme. **Stand up and holler!** Despite efforts by cheerleaders, pep rallies failed to create school spirit.

**Students enjoyed** the rock concert which helped to raise money for the Jr.-Sr. prom.

Raising money for the prom, the Junior class picked apples and sold them at a local business. The sale of candy and stationary helped to boost their budget as well as a **ROCK CONCERT PRESENTED TO THE STUDENT BODY** by the "Soul Shakers." As football season opened, apathy plagued the pep rallies, although cheerleaders and pep band members attempted to create a spirit of enthusiasm. Forensics came earlier in the year than previously and students and coaches spent long hours in practice, which paid off in the district contest held here on November 13.

**Pausing** during a report for an "and — uh", Alice Washington has her picture snapped. "Whew, what a mess," exclaims Thelma Washington as she pulls some books from her locker.

In an age of women's lib where the idea of a woman as a sex object is taboo, many schools are doing away with homecoming festivities.

However, CCHS, **ADHERING TO TRADITION**, elected Lynne Goldsborough as their homecoming queen. With Spotsylvania leading at half-time 14-0, the dispirited fans managed to extend their appreciation to Lynne as Assistant Principal Walter Thomas presented Lynne with her bouquet of roses. Also selected by the senior class was Maid of Honor Beverly Hearn. Representing the junior, sophomore, and freshman classes were Pat Elliot, Toni Coley, and Maureen Kratochvil. A dance followed the game with music provided by "Satan".

**Holding back the joy**, Lynne Goldsborough is crowned by Assistant Principal, Mr. Thomas. "And here she is," Mr. Thomas seems to be saying, as Beverly Hearn and Mr. McKay admire Lynne Goldsborough, the Homecoming Queen. **Even frozen toes** and runny noses couldn't drive the homecoming crowd away.

"It's not too bad being the second most beautiful girl in the senior class," Beverly Hearn must be thinking, as she and her escort, Randolph Scott, watch the second half of the game.

The homecoming court watches the game unemotionally though they anxiously await half-time and the crowning of the queen.

**Taking advantage** of the eighteen year old vote, Darlene Eddins marks her ballot in the Presidential election.

**President** of the senior class, Craig Dill, discusses graduation plans with his classmates.

**Not waiting** for the rest, Mr. J.B. Carpenter begins eating while Mr. Waller Jones, Mr. Piper, and Mr. Weiss wait to be served at the evaluation committee dinner.

**Waiting in line**, students tie up the phones between classes.

October brought a Visiting Committee of Virginia Educators to the school for its evaluation. Taking place once every ten years the evaluation consists of the rating of each teaching department, the administration, and other facets of school life. Committee members were treated to refreshments in the mornings and a **DINNER SERVED BY NHS MEMBERS** highlighted their visit. During the day, they sat in on classes to observe teaching methods and to get an overall opinion of the students' attitudes. Presenting two separate concerts, the high and junior high bands combined under the direction of James Arrowood to perform a concert on December 10, while the choral music group presented theirs on the following Sunday.

**Singing joyfully**, choral students enjoy a chance to make lots of noise in class without being called down.

**Students** fall in line on pizza day.

**Having just been tapped** into the National Honor Society, Susan Hurt walks proudly down the aisle with Bev Hutcherson.

Looking forward to graduation, seniors placed their cap and gown and announcement orders before leaving for the Christmas vacation.

To get in the mood for Christmas, the PEPERGRAM published a special issue featuring individual student works, and the **Y-CLUBS**

**PRESENTED A CHRISTMAS PROGRAM.**

The choral groups sang several selections and the brass ensemble performed special holiday numbers. Reverend Horace Douty, from the local Presbyterian Church, spoke on the Christmas traditions. After vacation students were faced with readjusting to school life and making preparations for midterm exams which fell in the middle of January. On January 19, the PEPERGRAM staff hosted its annual talent show with Cheryl Hackley as emcee. Students and various groups displayed hidden talents, creating an evening of fun and entertainment. First, second, third, and fourth place winners were Suzy Kidwell, Diane Young, Treasa Johnson, and Jim Hope, respectively.

**Senior class advisor** Mr. Floyd Binns measures Wayne Corbin's head for his graduation cap.

**Pepergram circulation staff member** Vicki Harrison sells the Christmas issue to Eleanor Banks in a homeroom.

**Taking class time** to study, Linda Holland and Cassandra Simpson begin their preparations for exams.

**Students** in history classes study means of criminal punishment in Colonial Williamsburg. Jane Walker demonstrates the proficiency of the wooden stock.

**Accepting** the state cross-country trophy presented to her by Mike Ballato and Harold Jones, Julie Davis expresses the appreciation of the students.

**Majorettes** Mary Lynn Jenkins, Bonnie Blankenbaker, Ann Farnum, and Joan Hawkins perform a pom-pom routine in the talent show.

**Members** of the Army Field Bands's Chorus entertain the student body in concert.

**Government instructor** Mr. Floyd Binns notifies Janet Kearns and Jennifer Carder of their election to the Junior Town Council.

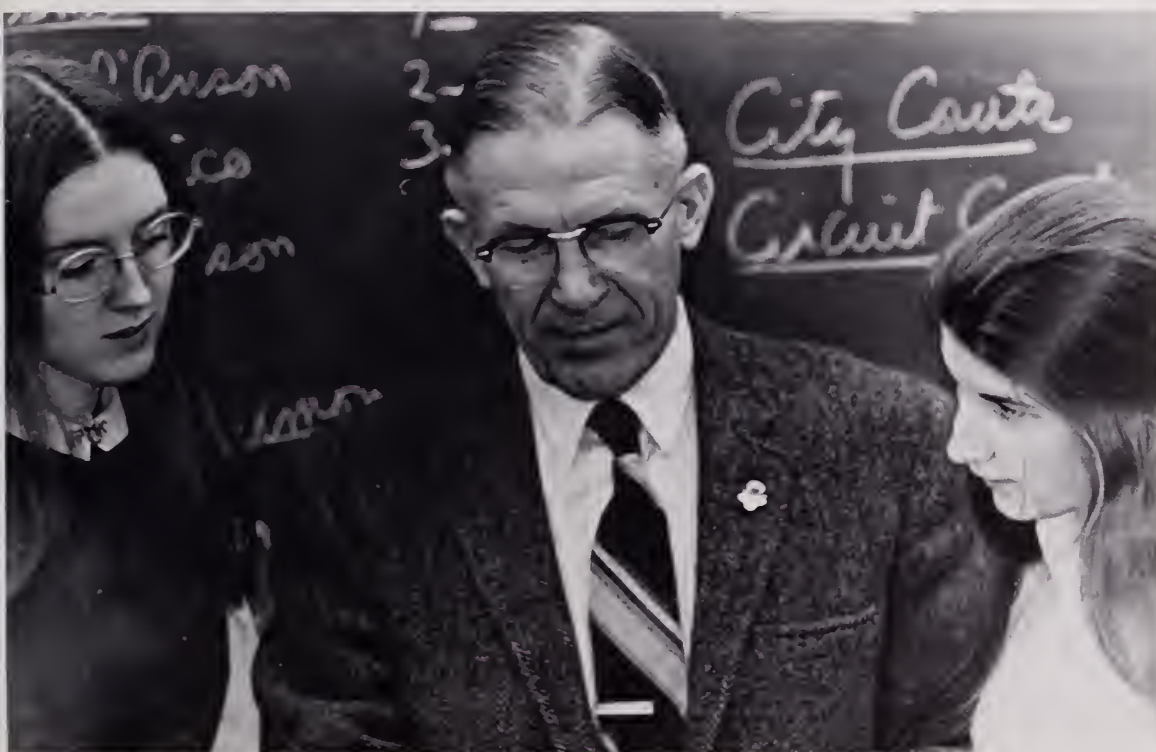

**Junior class advisor** Miss Young meets with the decorations committee to make final preparations for the junior-senior prom.

**Preparing to present** the one-act play, Richard Chichester and Laura LaGrow add finishing touches to their make-up.

**S.C.A. presidential candidates** Sanford Reaves and Charmaine Dill wish each other luck before the election.

Highlighting assembly programs was one presented by members of the Army Field Bands' Chorus. The group presented a program of popular numbers and gave background information about the organization. The **ATHLETIC DEPARTMENT SPONSORED A WINTER RECREATION PROGRAM** held on Wednesday nights to compensate for the lack of other such facilities in the town. Students were given a chance to participate in such activities as intramurals and "sock hops". As the year drew to an end, long-term projects were completed and goals were achieved. Drama students prepared the one-act regional play, "The American Dream", and the spring play, "Up The Down Staircase", which they presented to the student body and the general public. Juniors planned the junior-senior prom in a Japanese setting and engaged the band "Marsh" to provide entertainment. Committees were set up to make the final preparations for the graduation ceremonies and the end of school.

# Student Cooperative Association

Since the Student Cooperative Association is an active organization which cuts through red tape to make constructive changes in the school, its members are able to learn procedures of a representative government. With the students' support, the **SCA BATTLED FOR CHANGES IN CURRICULUM** and the calendar system. Arranging buses to carry students to away games was attempted again this year. By opening the cafeteria before school, the organization offered the students a larger area for social conversation. Other worthwhile projects included placing Christmas baskets in each homeroom and selling cookies.

# National Honor Society

Recognizing those who excel in scholarship, leadership, character, and service, provided the guidelines for membership in the honor society. With only twenty-three new inductees, enrollment recieved a slight increase.

## **EFFORTS TO AID THE COMMUNITY**

Highlighting the society's tap-in service was guest speaker Mr. John M. Fischer, president of the American Security Council, who presented a film entitled "Only the Strong" to the student body. # Colonnade

Although plagued by inexperience, the yearbook staff sacrificed their evenings, week-ends, and holidays to make their book the best ever. Searching for information and struggling to get pictures, the **STAFF HAD FOUR DEADLINES TO MEET.** Attending Seminar II, a workshop held in Winston-Salem, North Carolina over the summer, co-editors Debbie Mitchell and Debbie Noonan chose their theme, "Everybody Is a Star", and also their cover. Ann Baker and Elizabeth Somerville accompanied them on the trip. The staff incorporated a local artist, Lynne Goldsborough, to provide art work for the book. Members worked extra hard to solicit patrons to boost funds in order to add special effects in the opening, closing, and senior sections of the books.

# PEPERGRAM

Publishing, distributing, and selling monthly issues, the **Pepergram** was bestowed the honor of "All American" for its efforts. With deadlines to meet and stories to write, new techniques such as vertical lay-outs were attempted. Overall, the school newspaper gave a unique **OPPORTUNITY FOR FUTURE**

# Latin Club

Combining the old with a touch of the new, thirteen members dressed in their togas and were sworn in by the tapping of a sword in October. Along with the singing and reciting of Latin songs and poems, **INITIATION RECEIVED A DIFFERENT SLANT** from previous years. # French Club

Beginning its fifth year as an organization, the French Club, under the sponsorship of Mr. Fred Hollen, set out in the hopes of promoting a greater respect for the French language and the French speaking countries. **FRENCH WAS SPOKEN IN THE MEETINGS** to help members understand the language better.

Bulletin board displays throughout the school helped create better understanding of the language for the students and faculty of CCHS. Early in the school year, a bake sale was held to make more money for the club. This money was used in organizing a field trip for the members. As in previous years, the French Club entertained the school by singing French Christmas carols.

**Writing a bill** for MGA, Hi-Y president Hugh Elwood receives assistance from Doug Taylor and sponsor John Averett.

**Hi-Y member** Blakey Bates carries out a Christmas basket for a needy family.

# Hi-Y Club

Promoting Christianity, clean scholarship, clean speech, clean sportmanship, and clean living, members of the Hi-Y, through involvement, brotherhood and community service were able to achieve these goals.

A **WALK FOR MANKIND** with the Y-Clubs of Madison and Orange High Schools was used to raise money for the YMCA World Service program. Students from the three adjoining counties walked from a starting point and converged. Together with the Tri-Hi-Y, members hosted a district conference, and also presented a Christmas program to the student body. The annual "battle of the bands" was held again and proved a success, for it provided funds to send members to the Model General Assembly held in Richmond.

**HI-Y CLUB** — Front row: Mike Alvey, vice-president; George Taylor, chaplain; Hugh Elwood, president; Paul Ferguson, sergeant-at-arms; Doug Taylor, treasurer. # Band

The CCHS Marching and Concert Bands had an extremely busy and productive year, their first under **NEW BAND DIRECTOR JAMES ARROWOOD**. Later in the year the band presented a Festival Concert and Spring Concert, the former played just before the band competed in the annual Band Festival. The stage band and brass ensemble also were active, and held various concerts throughout the year.

## Chess Club

From knights to kings, from rooks to queens, the chess club made its move. Learning the arts and skills of the game of chess, members of the club increased their sense of reasoning. Not as arrogant as Fischer nor as talented as Spassky, the amateurs played the game with persistence. A **STRICTER REQUIREMENT FOR MEMBERSHIP** in the form of a chess knowledge quiz limited the number of the club. Providing a diversion from the monotony of studies, the club proved both entertaining as well as educational.

**Concentrating** on his next move, Kevin Bock studies the chess board while his opponent, Irvin Bennett, is momentarily distracted.

**Vice-president** Jay Standley challenges President Paul Wiest to a game of chess to prove he's best.

Due to a conflict in scheduling, the drama club did not present a fall play as customary.

**Elwood Dowd** (Mark Johnson) tells Dr. Sanderson (Robert Corbin) about his friend Harvey while Nurse Kelley (Robie Curd) listens.

Sacrificing much of their time, the enthusiastic **VARSITY CHEERLEADERS BOOSTED THE CCHS SPIRIT.** Co-captains Vicki Thornhill and Lori Blosser led the '72-'73 cheering squad in the various activities such as homecoming, pep rallies, making decorations, and cheering for the games. Getting new uniforms during basketball season was one of the many highlights of the year.

Assisting the varsity squad in selling programs at football games and cheering at pep rallies, the Baby Devillette cheerleaders **AIDED IN CREATING AND PRESERVING SCHOOL SPIRIT.** Cheering camp and weekly practices enabled the jayvee squad to produce new ideas for cheers. The 1972-73 squad consisted of eight members and two alternates. Brain power and coordination paved the way to a successful season.

**Attempting** the kick line, the Baby Devilettes add fun to the football game.

With two players that made the All District Baseball Team, Larry Jenkins at second base and Dennis Lewis at centerfield, varsity baseball team still posted **A POOR RECORD OF 1-12-1**. Not only did Dennis make the All District Baseball Team, but he was also awarded the "Most Valuable Player" on the varsity squad. Dennis McMullen moved in to take over the j.v. baseball team. Under Coach McMullen the j.v.'s took three wins against twelve defeats. Much experience was gained in the '72 season and a better season is hoped for '73.

The 1971-1972 track team was off and running in March and by the time the season was over in May, the cindermen had seen both successful and disappointing moments. The loss of the district meet to Spotsylvania was a letdown, but the cindermen put **THIRTEEN MEN INTO REGIONAL COMPETITION** which was especially pleasing to Coach Richard Conway. Six runners went on from regional to compete in the state meet, but found stiff competition there. Led by John Backe, Randy Frazier, Milton Grant, and Larry Ferguson, the captains of the team, the cindermen compiled a record of eight wins and no losses. Randy Frazier received the outstanding man award for field events while Milton Grant was chosen outstanding runner. Coach Conway stated he expected to have as good a season, if not better, in 1973 but for the moment, the spikes have been hung up until the guns sound next year.

With many outstanding prospects for next year, the 1973 track team is on to another "running" season.

Beginning the season with a 15-48 win over Fauquier, the harriers had a very successful season, losing only to Warren County and Woodberry. They went on to win the district and state titles, placing five runners in the top twenty at Williamsburg. Mike Kincer, who won first place in the district and holds the school course record, came in first for the Culpeper runners and eighth overall at the state meet. Harold Jones and Leroy Hackley were also very consistent runners, placing tenth and fourteenth in the State. Overwhelming spirit and aggressiveness led the varsity hockey team to a 5-2-0 record. Varsity coach Anne Yeatts sums up the season with this statement: "We had **A GREAT SEASON WITH LOTS OF TALENT**; the girls posed quite a threat to every opponent. The graduating seniors set a very good example for all future CCHS hockey players with their determination, sportsmanship and a driving will to win." Pugnacious spirit and leadership formed a "cracker jack" j.b. team, which finished 6-0-1 with another undefeated season. Rookie coach Ann Boyd said this about her team: "Working with this group of girls was truly a pleasure, and I want to thank each girl for making me proud to be a coach at CCHS. We outplayed every opponent encountered, as our undefeated record shows. Many j.v. players will move up to varsity, but the outlook for next year's team is good because there is a rising interest in hockey since it is played by 9th grade P.E. girls."

**Hustling** to secure the ball from the opposing JM player, Debbie Noonan and Debbie Tharp put up a good fight even though the Devilettes were defeated 2-1. **Right half-back**, Libby Hoffman, hustles to get the ball.

**KICKING OFF THEIR SEASON IN MOUNTAINER COUNTRY**, the 1972 varsity football team dropped their season opener to Madison county by a score of 13-12. The Devils then went on to have a 4-6 record. Despite high hopes early in the season that the Devils would take the district title, they just couldn't handle the strong competition offered by district rivals, Spotsylvania, Bowling Green, and Varina. However, the four wins the Devils had were a temporary relief from the frustration felt during the rest of the season. The Devil defense was the major factor in Culpeper's 7-0 win over Louisa. In the other three outings the offense thrilled the fans with amazing displays of aerial acrobatics and astounding gains on the ground, as typified in their 42-0 rout of Warren County in the season finale. It was hoped that such power as seen in this last game would carry over into the 1973 season and put momentum on the Devil's side.

"As soon as these boys overcame the coaching they were well on their way." With the only tie being a 6-6 knot with Orange, the **J.V.'S DISPLAYED IMPRESSIVE DEFENSE** as well offense. The j.v.'s opponents were only able to score an average of 5.2 points per game against the baby devils while the Culpeper offense averaged a phenomenal 25 points per game. This was the first year the j.v.'s had used a platoon system, using eleven strictly offensive players, and eleven strictly defensive players. This gave individuals more time to rest between plays and also gave more people an opportunity to play.

Compiling the best record in the history of CCHS, the Varsity basketball team ended their season with a 24-3 record. After losing their first game to Loudown Valley, the Devils came back with a 17-game winning streak until stopped by Varina. In the Battlefield District Tournament games they focused on avenging the loss to Varina and emerged as tournament champions. They met stiff regional competition but captured the title in a double-overtime win over Turner Ashby. Entering the State semi-finals they defeated Drewry Mason 69-67, and in the final game, the **BLUE DEVILS WON THEIR FIRST AA STATE BASKETBALL CHAMPIONSHIP**. After a strong first quarter they slipped behind but came back in the final quarters to win the State championship. Team captain Harold Jones was named State AA "player of the Year."

**Using** his height, William Smith dominates the backboard in a close Culpeper victory 54-52 over Spotsylvania.

**Teammate** William Smith looks on as Harold Jones goes for a rebound after a missed shot. Harold completed the year as the second highest scorer in the Battlefield District and was third in Culpeper's history to reach the 1000 point mark.

**Easily** avoiding the outstretched arms of an Orange defender, Sonny Bowles drives to the bucket. The Hornets won 40-39.

**Pointing** the ball's path to the basket, Harold Jones completes a hook shot.

They only suffered three losses the entire season, due to the team's skill and winning spirit. They were forced into overtime on two occasions but never gave up and both times emerged as victors. There was no single standout on the Jaycee team, but instead, a combined effort was the trademark.

Enduring long strenuous exercises, the twenty member girls' gymnastics team found gymnastics a sport full of skill and know-how on the part of the individual. Coach Anne Yeatts commented: "Cutting the team to half the number of girls trying out was really a hard decision because of all the talent."

**GYMNASTICS REQUIRES**

**COORDINATION**, a lot of dedication, endurance, and willingness to improve. This year we worked toward having girls become all around gymnasts - compete in more that one area." Gymnastics consists of five events: tumbling, vaulting, floor exercises, uneven parallel bars, and balance beam. The December to March season is long and rigorous.

A strong desire to win enabled the 1972 Varsity Devilettes to continue as Number 1 with a successful 11-2 overall record. Varsity Coach Kate Carter's slogan "Keep on truckin'" encouraged the Devilettes to set **A NEW SCORING RECORD** of 88 points over Louisa. Coach Carter had this to say: "Aggressiveness paced the 7-0 district record. The offense needs more work but scoring more than 500 points over the opponents 310 points isn't all bad. We're losing five seniors and most of the height, but the prospects are very promising for next year."

Losing at James Monroe, the Jayvees were able to pull an exciting 27-26 victory over the J.M. Jackets on our home court. Although nine out of seventeen players move up to Varsity next year, Coach Boyd is keeping the high scorer, Nancy Johnson, and high rebounder, Pat Johnson, for the next season.

**Straining to steal** the ball away from an opposing Fauquier player, Nancy "Shotgun" Johnson ties the ball and looks to the referee for the whistle as the J.V.'s rap up a win of 13-11.

**Struggling to gain control** of the ball, Zan Dean glances around for help from her teammates as the Baby Devilettes gain another close 25-21 win over Louisa.

Under the leadership of Coach Shirley Grey, the varsity wrestling team overpowered their opponents, compiling a successful 10-2 season. With seven men taking first places in the district meet, **CULPEPER EASILY CAPTURED THE DISTRICT TITLE, 94-75½ over**

Spotsylvania. This qualified them for regional competition, where they placed second. At the state meet in Covington, the matmen came in sixth out of twenty-eight. Individual grapplers winning honors in the state competition were Bill Koontz (4th), Danny Blosser (6), Henry Jenkins (2nd), George Fotenos (2nd), and David Combs (3rd).

Dennis McMullen's jayvee matmen also had a very successful season. Losing only to Stonewall Jackson, Spotsylvania, and Orange, the jayvees finished their season with a 3-4 record. With eight graders from the junior high school on the team, Coach McMullen expects an experienced and even more successful team in the coming years.

**Co-captain** Danny Blosser struggles to pin his opponent from Stonewall Jackson. In this match Culpeper took its first defeat 45-11.

**Fighting** to free himself from an Orange player's hold, Randy Lindsay gains six points for Culpeper. **J.V. wrestler** Irvin Bennett finds himself in trouble as he is lifted from the floor by an Orange matman.

## STUDENTS

Being a freshmen is  
being bullied by the seniors  
getting lost in the halls.

Being a sophomore is  
having a year of experience  
behind you and being  
thankful for it.

Being a junior is  
ordering your class ring  
preparing for the prom.

Being a senior is  
wishing you had some senior  
privileges to impose on  
underclassmen  
knowing that you're behind in  
your work and not caring  
planning the future.

"We are shut up in schools for  
twelve years and come out with  
a bag of wind, a memory of  
words, and do not know a  
thing."

Ralph Waldo Emerson

# Seniors Choose Craig Dill to Head Class

Led by Craig Dill, the senior class began their final year at CCHS. The class of '73 became the first class to go through all four years in the new high school. Privileges were few, but seniors managed to revive the customary class day program. They held their traditional class day with the usual time

allotted for rehearsals and planned a senior picnic. Caps and gowns were ordered and preparations were made for the Baccalaureate service and commencement exercises as seniors anticipated graduation and made plans for their future.

**Senior Class Officers:** Craig Dill, president; Carrolet Taylor, treasurer; Debbie Tharp, secretary; Janice Inskeep, vice-president.

and what do we have to show for it?

24 semesters

12 years

1 diploma

Looking back over the years . . .

We entered CCHS as tiny freshmen,

Confused and bewildered by the bedlam

Of our new surroundings. We found that

Intelligence was measured by

Filling tiny squares on a sheet of

Paper. We were soon to gain our

Place among the rest of the student body.

As spirited sophomores, we won recognition

Throughout the school for our lung power

By winning the spirit-stick at every pep-rally.

We were well on our way to becoming

The great class that we are.

The desperately needed money

To decorate Neptune's Court was earned

By shrewd sales tactics in selling stationery

To unsuspecting friends and neighbors.

The combined efforts of everyone

Resulted in the best Prom ever.

And after four years of sundry experiences

We're ready to tackle the outside world.

During graduation when the members of the class of '73

Walk across the stage and receive

The paper which ends an era of indecision,

Some will cry while others laugh.

But then all will go out to find

The biggest party in town

And drink to the great times we've had together.

# Reaves Elected President for Second Year

Led by Sanford Reaves, the class of '74 got off to an early and enthusiastic start. Determined to have the most successful Junior-Senior prom in the history of CCHS, the Juniors strove extra hard to raise money. Thinking ahead to all their expenses, the traditional sales of stationery were put aside, and candy and apples were sold instead. Due to a fail-

ure in participation on previous grub days, the customary event was discontinued and in its place two rock concerts were held. These concerts were presented in October and January by local musicians to the student body. A quarter admission was charged and door prizes were given.

# Kevin Bock Selected to Lead Sophomores

**SOPHOMORE CLASS OFFICERS** — Left to right: Front row: Pat Glasker, vice-president; Bev Carder, secretary. Second row: Kevin Bock, president; Leroy Hackley, treasurer. Third row: Mrs. Margaret Walker, advisor. Missing from picture, Mr. Donald Baldwin.

With a year of experience behind them, the sophomores entered school with a confident air about them. They began the year by electing their class officers and paying dues. Earning the right to join various clubs, young athletes went through the grueling experience of the athletic clubs' initiations, and seven sophomore members were elected to join the National Honor Society. In the fall, they participated in many assemblies planned for them since they were not involved in testing programs. Sophomores contributed their part to homecoming by electing Toni Coley to represent them in the CCHS Homecoming Court.

# Harvey, Hitt Elected As Freshmen Officers

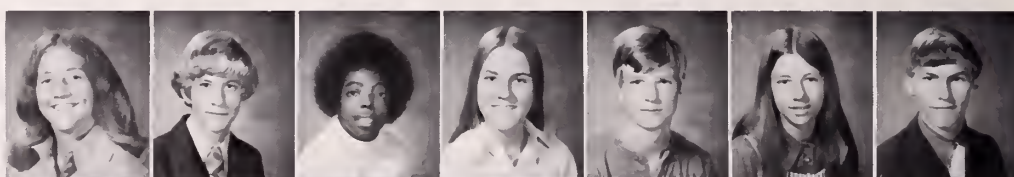

Led by president Mike Harvey, the class of '76 eagerly began their first year at CCHS. Though adjusting to the daily routine was difficult at first, they soon became an important part of the student body. During the first month, freshmen took standardized SCAT tests, and later joined clubs where they became new faces with new

ideas. Their participation in the athletic program strengthened team work and team spirit. In the fall, freshmen enthusiastically elected Maureen Kratochvil as their princess and prepared for the festivities by decorating their car and inviting dates to the homecoming dance after the football game.

FRESHMEN CLASS OFFICERS — Left to right: Mr. B.J. Davis, advisor; Mike Harvey, president; Temple Hitt, vice-president; Sadie Thompson, secretary; Jeff Cempre, treasurer; Mr. Thomas Earles, advisor.

## ADVERTISEMENTS

Hello, sir. We're soliciting for  
ads . . .

Staff members often  
forgot their ad books  
forgot their ad assignments  
lost their ad books  
couldn't find their assigned  
business  
forgot prices  
received disappointing refusals  
were offered jobs  
learned how to force a smile  
and went home with tired and  
aching feet  
knowing that all their troubles  
had been worth the effort in  
the processing of the  
1973 COLONNADE.

We wish to express our thanks  
and appreciation to each and  
every one of the advertisers for  
their interest in our publication.  
We urge the students of CCHS

## In the olden days

Wearing a ring on the forefinger signified  
a haughty spirit;  
On the middle finger, prudence and dignity;  
On the "ring" finger, love;  
On the little finger, a masterful spirit.  
Today, on any finger, your Balfour class  
ring symbolizes moments and memories  
shared with your classmates.  
Treasure them always.

It's over — since the beginning of last summer we have worked with our staff to put together a book that would please all of our students. We hope our efforts were successful — we tried. Each person has contributed a part of himself and in return has gained an experience of working together with others. At this time we would like to extend our appreciation to those who went out of their way to help us. A special thanks goes our business manager Darlene, who not only accepted her required responsibilities, but who also gave extra time to assist us. Next we'd like to thank Lynne for her art work on the cover and in the book, and Lee and Julie for writing our opening verse, and Bosco for helping us with our sports section. We'd also like to thank Graham School Pictures, Alan's Photography Studio, and especially Amy Neal for all of our last minute printing. The library, administration, and business department also deserve a word of thanks, as well as our advertisers and patrons who helped to finance this book. Last, but not least, we would like to thank Mr. Allen for spending all of his free time out here working with us, and for taking us to all the workshops we attended. He also deserves credit for putting up with the two of us for the entire year and still wanting the job next year.

Shine on - be yourself  
Don't reflect someone  
elses' light.  
Everyone is an individual.  
But we have a common  
need.

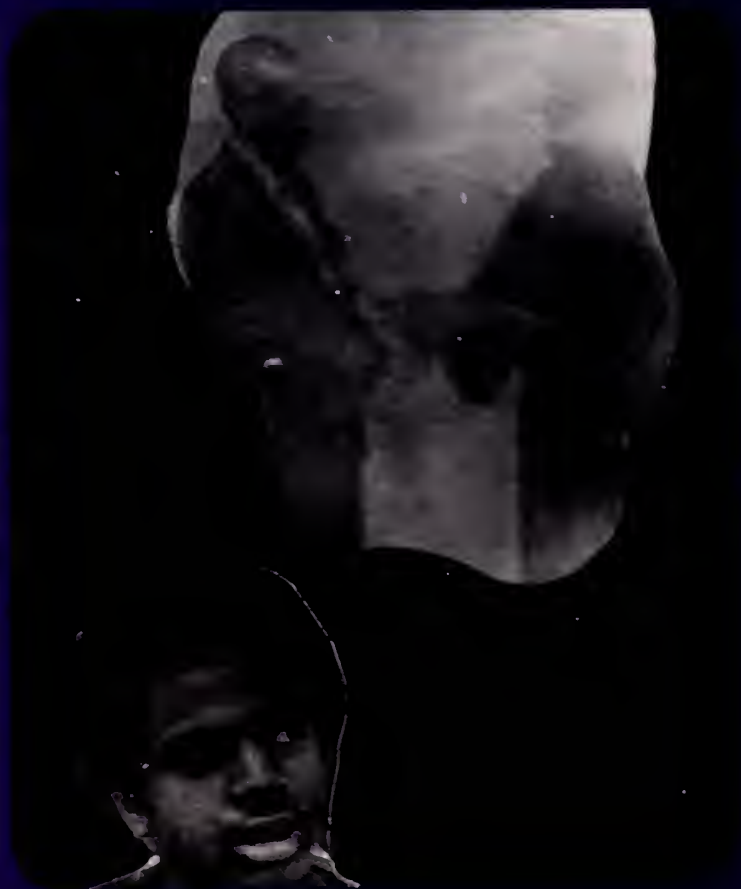

We have to stay  
together,  
As we reach for  
understanding  
No one can be a  
stranger,  
All alone in the  
darkness  
For everyone is a star.

We have to keep together  
While we search for our  
final  
Goal. Without each one,  
we're  
Nothing. In our struggle to  
Find our souls.
